'Suigo" Riverboat Tours

This riverboat tours give us the opportunity to enjoy the nature along the canals with its reeds and wildlife. The natural scenery here attracts many visitors who just want to relax. Recently, the important role that eeds play in cleaning the water and in the ecology has been better understood. this area was selected as the first culturally important landscape in Japan. Four traders set their boats in the city, and a gorgeous course is available which includes lunch and Omi beef sukiyaki in the tour. (Reservatior
